

MY FAMILY HISTORY

The best way to get started with your family history is to write down what you know, beginning with yourself. So let's get started!

	FULL NAME Please include first and last name for each person. Include any name variations and nicknames.	BIRTH Include as much as you know, including the place, even if you only know the year or decade.	DEATH Include as much as you know, including the place, even if you only know the year or decade.	RESIDENCES Please list where the person was born, lived, and died.	MARRIED?	RACE	RELIGION
